**THE TAO OF THE TAO TE CHING**
A Translation and Commentary
Michael LaFargue

Michael LaFargue interprets the concept of “Tao” in the *Tao Te Ching* as a spiritual state of mind cultivated in a particular school in ancient China, a state of mind which also expressed itself in a simple but satisfying lifestyle, and in a low-key but effective style of political leadership. The interpretation offered here is not only historically accurate, but also conveys the spiritual depth of the *Tao Te Ching* and its contemporary relevance.
